

Introduction

Welcome to the Holiday Inn Express Aberdeen City Centre. This modern and contemporary hotel is set right in the heart of our historic city and is the ideal base for exploring all that the North-East has to offer. Business and leisure travellers alike will find a warm and relaxing atmosphere with great facilities and friendly staff.

Aberdeen is a city of many names and it's easy to see how it gets its most popular one – The Granite City. The impressive turreted Town House in Union Street, the castellated Citadel at The Castlegate and the striking gothic Marischal College, the world's second largest granite structure, are all fine examples of Aberdeen's most famous export.

Uncover the history of Old Aberdeen by visiting the 500 year old University King's College, or visit Provost Skene's House, Aberdeen's oldest private town house. The Aberdeen Art Gallery boasts inclusions by impressionists Monet, Pissarro and Renoir and a host of fabulous visiting exhibitions across the year.
